PBM TS-235E

Touch Screen Electronic Cash Register

Hardware:

9" Colour LCD Touch Screen Display

Intuitive dynamic touch screen displays only relevant keys for ease of use

Alphanumeric Thermal Printer

Compact printer with fast, quiet, high quality receipt printout. Low maintenance. Print receipt on demand option. Uses 57mm thermal paper. No ribbon or ink needed!

Retail: Inventory and Stock Level Monitoring for up to **3000** PLUs

Restaurant: Direct PLU entry for up to **240** PLUs

Table Handling: Maximum **50** Tables, each can be split into 4 sub tables.

Tables and sub tables can be transferred and combined freely

Remote Kitchen Printer Option

Supports one remote kitchen or bar printer

Happy Hour

One of three price levels can be active during a user specified time, such as Happy Hour. This is also a useful function when different price settings are required for lunch and dinner menus

Software Features:

3000 PLUs

Combine several PLUs into one to simplify discounts/deals for multiple items

200 Departments

40 Clerk IDs

Provides programmable clerk access for up to 40-employees with individual sales analysis

Electronic Journal

Print out a journal record with details of all the day's transactions

Comprehensive X and Z Sales Reports

Including hourly, daily, periodically for PLUs, Departments, Clerks, Tables, etc. both onscreen and printed

10 Programmable Payment Methods

Multiple Prices for PLUs

Allows discounted Prices to be programmed during specified times, such as during a Happy Hour, or lunch menu versus dinner menu. Also useful in Retail mode for clearance items or end-of-day sales

VAT Calculation

Program up to 5 different VAT rates

Age Verification

On-screen prompts warn the clerk to check the customer's ID and verify age before selling certain products. Up to 2 different ages can be programmed, e.g. '16' for tobacco and '18' for alcohol products.

Foreign Currency Support (up to 4)

Programmable Store Logo

Up to 6 lines, 24 characters each

RegisterLink PC Software

RegisterLink allows you to program your ECR from your PC and to back up and restore all data quickly and efficiently.

Software and serial cable included.
